

INTUOS® Creative Stylus 2

The premium creative stylus for iPad

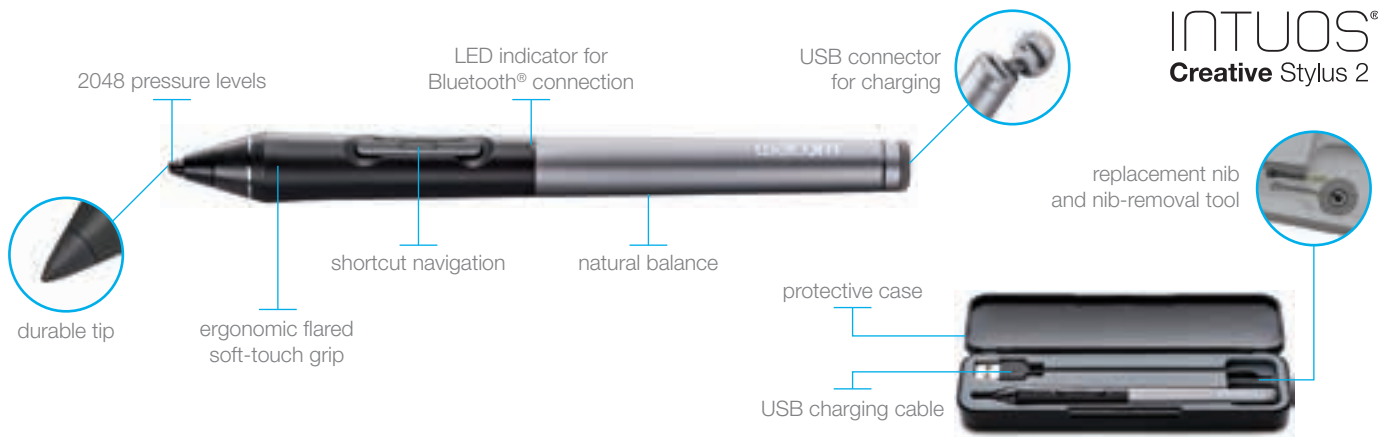

Create your masterpiece on a level that you haven't experienced on your iPad yet.

The new Intuos Creative Stylus has a thinner, firmer tip which draws more naturally and lasts much longer. Its new slim design makes your work more visible, giving you better control of your strokes while you draw.

Thanks to its 2048 pressure levels, Intuos Creative Stylus senses the lightest touch of the pen on your iPad like a pen or brush on real paper or canvas. Connect through Bluetooth® Smart technology and enjoy using leading creative apps.

Intuos Creative Stylus is designed for iPad Mini, iPad 3, iPad Air or later. It comes in black/grey, has a soft grip, smooth aluminum housing and includes a convenient carrying case with USB cable, replacement nib, and built-in removal tool.

INTUOS® Creative Stylus 2
